SCHOLARSHIP SPONSORSHIP PROSPECTUS

SCHOLARSHIP SPONSORSHIP INVITATION

The Nigerian Association of Pharmacists and Pharmaceutical Scientists in the Americas, Inc. (NAPPSA), a non-profit, 501(c)3 organization invites you to be a partner in her Scholarship program.

NAPPSA initiated the scholarship award program to support the pharmacy and pharmaceutical science education in North America and nurture the young professional beneficiaries to become globally able pharmaceutical practitioners and scientists.

NAPPSA values her young professionals and places high premium in mentoring and enhancing the educational and professional growth of young pharmacists and pharmaceutical scientists. The NAPPSA Young professionals Scholarship and Grant Award Program was established to further this interest. The scholarships/grants are provided to young minority students to help with the regular education expenses such as books and supplies, travel grants to conferences for scholarly podium and poster presentations. The scholarship recipients are outstanding and deserving students who end up pursuing careers in the pharmaceutical industry, regulatory agencies and academia. All awardees are full time PharmD or graduate students enrolled in programs relevant to pharmaceutical sciences in a fully accredited University in the USA.

Our past scholarship sponsors include Pfizer Pharmaceuticals, Auburn Pharmaceuticals, and H.D. Smith.

ABOUT NAPPSA:

NAPPSA is an umbrella organization of pharmacists, pharmaceutical scientists, allied scientists and related academia whose capacities extend throughout the Americas. NAPPSA promotes healthy living and disease prevention through effective pharmaceutical care while simultaneously operating to improve the quality of healthcare delivery, systems and strategies in Nigeria with extended impact on all of Africa and the rest of the world. We hold annual Scientific Conference and Exposition to advance knowledge and efforts in the pharmaceutical area with a view to moving the field forward, from new teaching and learning methods to how to own pharmacy retail store to therapeutics updates. We provide continuing education credits for attendees who wish to pursue that option. Our next meeting will be in Tyson's Corner, Virginia, September 24-27, 2020.

Thank you for the consideration. Please feel free to contact the NAPPSA office via email at nappsa@nappsa.org or via phone 888-237-8017 if you have any questions.

Making a Contribution

Funds can be contributed to the NAPPSA scholarship program in a wide variety of ways; Funding options include, but are not limited to:

- a lump-sum cash/check/contribution of stocks
- any incremental amount may be donated (5,000; 10,000; 25,000; 50,000 etc.)
- may elect to pay scholarship amount/pledge over a five-year term with annual invoicing. (i.e. a \$5,000 pledge pays \$1,000 annually for 5 years.)
- dedicated insurance annuities/wills/testamentaries.
- The NAPPSA Board of Trustees and an investment committee utilizing the services of a professional investment firm oversee investment of the contributed funds

Naming a Scholarship

- Individuals or organizations contributing \$5,000 or more have the privilege of “naming” a scholarship. “Named” scholarships can immortalize a loved parent, family member, company founder, friend, associated, company, or even the donor. Another advantage of a “named” scholarship is that preference can be given to students attending designated institutions or from states as designated by the donor.
- Funding for a named scholarship can come from more than one donor. Donations to the NAPPSA Scholarship Program can be made in any amount. If several donors wish to pull their money together in order to reach the \$5,000 funding level required to name their scholarship and designate their institution this can be done.
